

# Lucidi Mothership

Flagship of the Lucidian armada, the Lucidi Mothership boasts not only the most advanced weapon systems of any space-going vessel, but is also one of the many carriers of the trademark Lucidi glow, the energy source that fuels these massive space behemoths. Often flanked by a half dozen of its armada's warships, the Lucidi Mothership has the tactical capacity to house over three dozen Lucidi fighters and scouts, a true testament to space warfare each pilot should be wholly wary of.

## Locations

Lucidi Motherships can only be found in the North West and South Lucidi dens in the Pardus Core.
